

MagnifiCard

Emergency eyeglasses in your wallet or purse

A business card that's a magnifier!

You know how it is in those dark restaurants - practically no light and tiny type on the menu. Well here's the answer - a wallet size card that magnifies. What better place to have your ad? Your customers and prospects will always carry your ad message. They'll find many uses for your **MagnifiCard**. What about the ingredients on food packages. Ever notice how small the type is - that problem is solved by the **MagnifiCard**.

Whatever the problem: reading numbers in a phone book, looking at a map or just finding that annoying splinter in your finger the **MagnifiCard** will prove invaluable. Your ad copy will communicate your care and service.
